

## NOTES FOR CAPTAINS 2021/22 #1

### CAPTAIN'S RESPONSIBILITIES

The nominated captain is the person listed on the original team nomination lodged with the SSCA. A 'stand in captain' assumes the same responsibilities of that captain.

The major responsibility for ensuring fair play rests with the captains, but does extend to all players & match officials.

Captains are responsible for ensuring that matches are played not only according to the Laws, but also in a way consistent with the Preamble of the Laws (the Spirit of Cricket) and will follow the Association's Code of Conduct prescribed at Schedule 1 of the SSCA Playing Conditions.

#### MyCricket

It is the responsibility of the nominated team captain to ensure that all the requirements for recording & reporting on MyCricket are undertaken (see Notes for Captains 2021 #2 & #3).

It is the responsibility of the nominated team captain to ensure that all necessary access levels on MyCricket are in place to allow any 'stand in captain' to enter required details on MyCricket and that the 'stand in captain' is fully aware of his/her responsibilities.

### COVID-19 SAFE

Captains are to ensure that NSW Cricket and SSCA guidelines for 2021/22 season are followed. Documents are available at the following links.
