SECRETARYS REPORT

Thank you to all players and officials for complying with the Covid-19 restrictions and allowing the shortened 2020/21 season to be completed without significant disruptions.

In December the Covid-19 lockdown on the northern beaches affected us as a number of players in our competitions had contact with the area and health advice issued by NSW government.

With only a Final being played this season, wet weather affected all finals matches with, unfortunately, the A1 final ending in a draw.

The SSJCA COVID-19 and Helmet Policies were implemented this season. There will be an updated "Heat Policy" introduced next season.

Thank you for the work put in by all committee members to ensure that the SSCA competitions are run smoothly for the benefit of all players. Your commitment and contributions are very much appreciated. Thanks once again to Kevin McGrath for his contributions regarding preparation and publication of our various Policies.

Special mention to Allan Lofthouse – his tireless efforts in recording and ensuring that all teams follows the rules & regulations.

Congratulations to Andrea Handley on being awarded Life Membership of the SSCA.

This season, as in previous seasons, we have worked with Sutherland Council to carry out necessary ground improvements as part of the ongoing plans in conjunction with the SSJCA.

The nets at Solander Fields and Box Road at Sylvania and the upgrade of the nets at Gynea Bay Oval were completed during the season. The SSCA contributed to each of these projects.

The Sutherland Cricket Council was formed this season comprising representatives from The SSCA, SSJCA, Sutherland District CC and the St George Sutherland Slayers. The Council is an umbrella committee facilitating liaison with Sutherland Shire Council.

There will be a new platform for registration & recording in 2022/23 when PlayHQ will be launched. For the upcoming season we will continue to use MyCricket.

Again this season it seems to me that all statistics have not been recorded in MyCricket given the number of grades where players that did not reach the qualifying number of runs / wickets / dismissals. A reminder to all Clubs (and particularly those who are tasked with recording match results and player statistics) that MyCricket is the only source I have for recording end of year results and player statistics for the Annual Report.

Thank you to Kookaburra for their generous sponsorship and to Sutherland Council for their on-going support of cricket in the Shire.

Congratulations to all premierships winning teams and individual award winners for the season.

At the time of writing, season 2021/22 is on schedule to once again start on the second Saturday in September and conclude with grand finals over the first weekend of March 2022.

Working together and complying with all requirements of NSW Health in relation to Covid-19 we look forward to a successful 2021/22 season.

SSCA RECORDER AND COMPETITION MANAGER'S REPORT

The 2020-21 SSCA cricket registrations got underway a bit late on the 31st August, 2020 due to interruptions caused by the ongoing COVID-19 epidemic, & whereby there were 46 teams nominated from the affiliated Clubs. Pleasingly this was a similar number of teams to the previous season.

Total SSCA season registrations recorded through the MyCricket Registration System was finally set at 870 (15 of which were for the Rep. Team). Total late registrations, 178, were a great improvement from the previous season's 301, BUT could still see some improvement if the clubs wish for lower fees.

I do believe that the SSCA Affiliated Clubs could greatly improve their registration numbers, & team numbers/grades, by them having earlier registration dates, & with fewer players in each team.

After all it is the task of the SSCA Affiliated Clubs Committees to chase up players for their teams, & with the SSCA Management Committee's task of managing the competitions under their control by the proper grading of the teams/players, PLUS the enforcing of the various MCC LAWS OF CRICKET/SSCA By-Laws/Playing Conditions that constitute the running of the competitions.

Although I do believe that the MyCricket System (PLAYHQ) next season will see each player needing to complete their registrations & payment[s] personally & online through the "new" System. This should be finally confirmed by the SSCA Management Committee/SSCA Secretary once more information is garnered from the MyCricket/PLAYHQ management.

The 46 teams were graded into 5 X 5 team competitions of 15 rounds for the A1, A2, B1, B2 & B3 grades, & with the remaining 3

X 7 team competitions of 14 rounds for the B4, B5 & C1 grades.

Unfortunately, & due to the late registration date, & a later start to the SSCA season due to problems with the COVID-19 epidemic, it saw the season delayed until the 10th October, 2020 & would see the use of the usual 2 V 3 Preliminary (Semi) Final being deleted from the programme & only a 1 V 2 Grand final taking place in all grades, & with 4 of the 8 Minor Premiers being successful. Hopefully the 2 V 3 Preliminary (Semi) Final may be able to be reinstated back to normal in the upcoming 2021-22 SSCA season.

Grand Final Results will be published in other sections of the Annual Report.

The actual recording of the MyCricket Match Details/Results still sees teams not fully conversant with the requirements of early & accurate online results with a total of 13 teams recording late results with a number fined (some for 2nd offences). This is not really good enough if accurate statistics are to be recorded, especially for SSCA & Team Player awards.

The fact that many team captains/scorers did not record early & accurate online results saw only around 51% (TBC) of teams gaining the 'bonus point' on offer, although it appears that this may not have affected the actual placing[s] of teams in the SSCA Points Scores.

There were 2 X Duty failures & 3 X forfeitures during the season, down on the previous season, but still should see improvement.

Congratulations must go to all of the teams that gained a Premiership, PLUS all of the players that managed to achieve SSCA Awards & Team Awards.

I wish to personally thank all of the members of the SSCA Management Committee for their undying efforts in ensuring that my task was made that much easier.

I would also like to thank the SSCUA Committee & its members for their assistance during the season when appointed to SSCA matches.

The Sutherland Shire Council must also receive thanks for the difficult task of supplying the SSCA & its members with the grounds that the association plays on.

The various SSCA Affiliated Club Committees & their players must also be thanked for their cooperation in making the 2020-21 SSCA season a success.

Thanks & Regards

Allan Lofthouse,
SSCA Competition Manager & Recorder.
