# Playing Conditions

## Laws of Cricket

The MCC Laws of Cricket 2017 Code (2nd Edition – 2019) [“the Laws”] apply to all matches sanctioned by the Association. In the event of a conflict between the Laws and the Playing Conditions, the Playing Conditions take precedence.

In these Playing Conditions “No Changes” means no changes to the Laws and they apply as written.

## Spirit of Cricket and Association Code of Conduct

Players, umpires and officials must act in a way consistent with the Preamble of the Laws and will follow the Association’s Code of Conduct prescribed at Schedule 1.

## Law 1 – The Players

### 1.1 | Eligible Players

- 1.1.1 All team members nominated to play in an Association competition match (including substitute fielders) must be registered members of the Association<sup>1</sup>.
- 1.1.2 All team members nominated to play in an Association competition match in a particular grade (including substitute fielders) must be eligible to play in that grade<sup>2</sup>.

### 1.2 | Minimum Number of Players

- 1.2.1 A team may not take part in a match with fewer than six eligible players. A team must forfeit the match if they do not have six players present at the required time.
- 1.2.2 To commence fielding, six eligible players must be present at the prescribed start of play and throughout the duration of the fielding innings.
- 1.2.3 To commence batting, five eligible players must be present at the prescribed start of play. However, should the fourth wicket be lost with no further batsmen available, the game will be considered to be forfeited.

**Clarifying Note:** Previously dismissed batsmen and fielders temporarily absent from the field will be considered ‘present’ for the purposes of this Playing Condition.

---

<sup>1</sup> Please refer to Section 2 of the Association By-Laws when considering whether a nominated team member is a registered member of the Association.

<sup>2</sup> Please note Clause 2.2.2 of the Association By-Laws:

*“A player who has not yet attained their 15th birthday will not be eligible to play in a team unless a family member or relative, who has attained their 18th birthday, is also listed on the team sheet for the match, unless a written request for exemption has been lodged by a club and approved by the Secretary of the Association.”*

### 1.3 | Requesting a one-day match due to insufficient players

- 1.3.1** If a team can only field the minimum number of players for one day of a two-day match, the team may request that the match be played as a one-day match on the applicable day.
- 1.3.2** The captain of the forfeiting team must seek the approval of the opposing captain. If the two captains do not agree, the match will be forfeited.
- 1.3.3** If the captains agree, the captain of the forfeiting team must seek approval from the Secretary to play the match as a one-day match.
- 1.3.4** If the Association approves the request:
  - a) Three (3) competition points will be allocated to the non-forfeiting team
  - b) The match will be played as a 30 over per side one day fixture, with the winning team receiving three (3) competition points and the losing side receiving one (1) competition point.

### 1.4 | Protection of young bowlers

- 1.4.1** Players under the age of 19 may only bowl as permitted under Cricket Australia's guidelines (see Schedule 2).
- 1.4.2** Where a player under the age of 19 has played in another match (in a Cricket NSW-affiliated association) on the same day as an Association match in which they intend to bowl, overs previously bowled will count towards the player's daily allotment under the Cricket Australia guidelines.
- 1.4.3** It is the captain's responsibility to ensure no bowler breaches the Cricket Australia guidelines, and to inform the umpires of any restrictions and overs previously bowled.

### 1.5 | Attire

- 1.5.1** All players must wear proper cricketing attire. This consists of a collared shirt, long trousers, socks and enclosed footwear, and may include sweaters, caps or hats as desired.
- 1.5.2** All clothing must be predominantly white or cream in colour.
- 1.5.3** Single coloured shoes, other than white, are not permitted.
- 1.5.4** Unless the match is being played on a turf wicket, shoes with attached sprigs, bars, studs or spikes must not be worn.
- 1.5.5** Official club playing shirt designs must be submitted to the Executive for review and approval and should be resubmitted if significant changes are made to the design.
- 1.5.6** Players shall not wear shirts featuring designs or motifs that have not been approved by the Executive.
- 1.5.7** Infringement of subsections 1.5.1, 1.5.2, 1.5.3, 1.5.4, and 1.5.6 of the Playing Conditions will result in a fine, as prescribed in Schedule 3.
- 1.5.8** It is the duty of the umpire to warn any player regarding breaches of subsections 1.5.1, 1.5.2, 1.5.3, 1.5.4, and 1.5.6 of the Playing Conditions.

- 1.5.9** If the warning of an umpire is ignored, the umpire should bring the matter to the notice of both captains and submit a report through his Secretary to the Executive Committee.

## Law 2 – The Umpires

Law 2.10 of the MCC Laws of Cricket 2017 Code (2<sup>nd</sup> Edition – 2019) (Umpires changing ends) shall not apply. The umpires shall not change ends during the match.

### 2.1 | Official umpires

- 2.1.1** In Association matches, the Sutherland Shire Cricket Umpires Association Appointments Board (“Appointments Board”) will appoint official umpires.
- 2.1.2** If a match with an official umpire is completed on the first day only, the Appointments Board may transfer the affected umpire to any match where one official umpire has been appointed.
- 2.1.3** No umpire may be transferred to a match where there is no official umpire in attendance.
- 2.1.4** At the conclusion of a match to which an official umpire has been appointed, each team must pay umpire’s fees as appropriate.
- 2.1.5** If making such a payment is not possible at the conclusion of the match, the fees must be paid within seven days.

### 2.2 | Duty umpires

- 2.2.1** Unless otherwise directed, a team from each grade will be appointed to undertake umpiring duty in each round.
- 2.2.2** The designated duty teams must provide at least two umpires per match per day.
- 2.2.3** Matches at which duty teams are to officiate will be published in the official draw unless otherwise advised.
- 2.2.4** It is the responsibility of the duty team (or club) to allocate umpires to each match. Duty umpires may interchange as desired.
- 2.2.5** When an official umpire is in attendance, duty umpires will umpire at the striker’s end (i.e. square leg) only.
- 2.2.6** Duty umpires must be in attendance 30 minutes before the scheduled commencement time, to check that stumps have been set up correctly and check boundaries for distance and equality.
- 2.2.7** Duty umpires have the authority of official umpires and are required to report to the Association any player or team infringing the Laws, Spirit of Cricket, or Association rules or Playing Conditions.
- 2.2.8** With Association approval, former registered players who are legitimate club members with an awareness of the Laws and Playing Conditions may deputise as umpires for duty team players. Their responsibilities are the same as registered players acting as a duty umpire and the club is

accountable for their actions or inactions. Registered players from other grades may fulfil duty umpiring obligations.

- 2.2.9** Duty umpires must clearly print their name at the top of the page of the scorebook, for reporting in MyCricket.
- 2.2.10** Members of duty teams who are qualified umpires and are appointed to officiate at a match by the SSCUA are entitled to a fee as prescribed.
- 2.2.11** Duty teams will receive a maximum of six points for each round of umpiring duty. Teams failing to comply with duty team conditions will incur penalties as per Schedule 3.
- 2.2.12** Duty teams not complying with duty umpiring conditions are required to submit a detailed written report within seven days.
- 2.2.13** Teams and/or clubs not complying with the spirit of duty team responsibilities will render themselves liable to disaffiliation.
- 2.2.14** The minimum dress standard for duty umpires is a light coloured shirt, shorts and enclosed footwear. Red tonings are not permitted.

### 2.3 | Absence of umpires

- 2.3.1** In the event of appointed or duty umpires being absent, the appointment of others to take their place will be at the discretion of the captains of the teams concerned.
- 2.3.2** If captains fail to agree, an officer of the Association will make the appointment. Their decision is final.

### 2.4 | Fitness of conditions for play

- 2.4.1** In Association matches, official umpires have sole discretion in deciding whether conditions are fit for play. For games which have not been assigned official umpires, captains must agree on whether conditions are fit for play. If the captains disagree, the duty umpires should decide. If the duty umpires disagree, play is suspended or remains suspended.
- 2.4.2** In the event that a lightning flash occurs and is followed by thunder within 30 seconds, play must cease immediately. Play must not resume until 30 minutes after the last such lightning flash that was followed by thunder within 30 seconds.

- 4.3.2 The replacement ball should be of a make and quality approved by the Association.

**Clarifying Note:** If it is not possible to ascertain the make and quality of a proposed replacement ball as a result of natural wear and tear, captains (or their representatives) may agree to use it nonetheless, provided it otherwise meets the criteria as set out in Law 4 of the Laws.

#### 4.4 | Ball in use at the conclusion of the first day's play

- S1.1.3** Breaches of the Code may lead to disciplinary action.

### Section 2 | Application

- S1.2.3** All officials, coaches, managers, club supporters and others having membership of the Association, attending matches organised by or involving Association representation, must conduct themselves in a sportsmanlike manner at all times. Actions and behaviour likely to bring the Association or the game of cricket into disrepute are unacceptable.

**S 1.4.4** A person accused of breaching the Code must not be denied natural justice in responding to any allegations.

## Section 5 | The Judiciary Committee

**S1.5.1** A Judiciary Committee shall hear all alleged breaches of the Code.

**S1.5.2** The Judiciary Committee will consist of 3 members - the President, a Vice President and one other member of the Executive. If required, the Management Committee may appoint a suitable replacement member.

**S1.5.3** The Secretary will be the Secretary to the Judiciary Committee.

**S1.5.4** A quorum for the Judiciary Committee is three members

**S1.5.5** No person may be a member of a Judiciary Committee if that hearing involves an alleged offender or complainant connected with an affiliated club or body of which they are an active member.

**S1.5.6** It is the responsibility of the Judiciary Committee to investigate the matter to the extent necessary to ensure that justice is done and the person responding to the allegation is afforded a fair and proper hearing.

**S1.5.7** Any appeal arising from the Judiciary process should be determined by an appeal hearing. The appeals hearing should be carried out within 7 days of receiving notice of appeal. No person involved in the initial Judiciary Committee investigation may hear an appeal.

**S1.5.8** If insufficient members of the Management Committee are available to provide an appeal hearing, the Management Committee may appoint external persons who have had no prior involvement in the matter as Associate Members of the Association for the duration of the matter, for the purposes of providing an independent and unbiased hearing.

**S1.5.9** An appeal must be provided in writing and lodged with the Secretary within seven days of receiving the decision of the Judiciary Committee. It must contain the grounds on which the appeal is based. An appeal may be lodged against the decision of the Committee or against the severity of the penalty determined.

**S1.5.10** The Judiciary Committee must address the requirements of Natural Justice and Procedural Fairness in any process before it. Key principles of the process are:

- It is a non-legal process with emphasis on natural justice, fair play, and procedural fairness.
- It avoids application of the rules of evidence to facilitate a non-legal environment.
- It sets out the nature of the breach clearly and specifically so that the person “charged” may have clear understanding and the right to respond in defence of the allegations.
- It provides for the hearing and taking of evidence from minors.

- It provides for any person accused to have a non-participatory/observer witness in attendance.
- It seeks to resolve all matters speedily yet not with unseemly haste such as to disadvantage any party.
- It aims to be corrective rather than punitive but shall provide for fines and suspensions.
- It has the power to direct Clubs to take actions arising out of the outcome of such hearings.
- It has the power to hear any such part of any hearing *in camera*.
- All information heard in the judicial process shall be confidential to the Judiciary Members.
- It provides for an appeal process.

**S1.5.11** Within seven days of an alleged breach of the Code being referred to a Judiciary Committee the Secretary must:

- Give the person who is the subject of the proposed hearing a copy of all reports received by the Association Secretary; and
- Give that person's Club Secretary a copy of such reports; and
- Give the person(s) who are the subject and initiator of the report notice to appear before the Judiciary Committee. The notice must include the time and place for the hearing. The hearing must be at least 72 hours after the time that the person receives such notice.
- ask the person who reported the breach to appear at the Judiciary hearing by giving notice to that person, if the Association deems it appropriate
- convene the Judiciary hearing as soon as practicable and preferably before the next playing date of the competition.

**Clarifying Note:** Any notice sent by Post is deemed to have been received two working days after the date of posting. Any notice sent by email is deemed to have been received twenty-four hours after the time of sending.

**S1.5.12** If the Judiciary Committee is satisfied that proper notice was served, it may conduct the proceedings in the absence of the person given notice to appear, and, if necessary, the person who has made the complaint.

**S1.5.13** The Judiciary Committee must verbally advise the person, who is the subject of the report, its decision as soon as possible after the hearing

**S1.5.14** As soon as practicable after the hearing the Judiciary Committee must give written notice of its decision to:

- The person who is subject of the report; and
- That person's Club; and
- The person who lodged the report.

**S1.5.15** If a person who was given notice to appear fails to do so, and the Judiciary Committee proceeds, it may subsequently set aside any order made in the absence of that person, upon receipt of advice satisfactory to it, that the person did not receive the notice. The Judiciary Committee shall then determine on the facts available to it whether to proceed or dispense with the matter.

## Section 6 | Penalties for breaches of the Code

- S1.6.1** Without limiting the range of penalties it may impose, the Judiciary Committee may:
- Issue a warning in the form of a reprimand to the person appearing before it;
  - Impose a fine;
  - Suspend or disqualify that person for a specified period of time;
  - Apply any combination of the three penalties above; or
  - Otherwise deal with the person.
- S1.6.2** The Association may suspend the operation of any Penalty on any terms as it sees fit.
- S1.6.3** Any player suspended for any offence will not take part in any matches while under suspension.
- S1.6.4** If a player is found guilty of an offence and is suspended by the Judiciary Committee, their team will incur a penalty of four competition points. The Judiciary Committee has the discretion to waive this penalty.
- Clarifying Note:** The competition points penalty may only be applied once per match.
- S1.6.5** Any fine must be paid to the Association within 30 days of the person being notified that the fine has been imposed
- S1.6.6** A person is ineligible for selection or participation in, or appointment to, any match or fixture set down by the Association until any fine imposed on him/her has been paid or penalty served.
- S1.6.7** Where the person who lodged the complaint is a member of the Sutherland Shire Cricket Umpires Association or the NSW Cricket Umpires Association, the Secretary must give written notice to that body setting out the details of the Judiciary Committee's report and findings.
- S1.6.8** Any person who fails to present themselves at a hearing of the Judiciary Committee without just cause and having been given due notice of their attendance being required, will be deemed guilty of misconduct and will be liable for such a penalty as is determined by that Committee

## Section 7 | Restrictions

- S1.7.1** A person, other than an employee of the Association or an affiliated club, who has been suspended, fined, or otherwise dealt with by the Judiciary Committee and who has not been completely exonerated on appeal:
- is prohibited from acting in any administrative position or as an office bearer of an affiliated club or the Association; and
  - is prohibited from acting as the captain, manager, or coach of any team taking part in a fixture conducted by the Association or an affiliated club; and

- is ineligible to be a Delegate to, or Office Bearer of, the Association until the expiration of any suspension, or any fine imposed has been paid.

## Section 8 | Record Keeping

**S1.8.1** The Secretary of the Association shall keep all records of proceedings and decisions relating to Judiciary hearings for a period not exceeding two years at which time the records shall be destroyed.

## Schedule 2 – Protection of Young Bowlers

Cricket Australia measures to assist in the prevention of injury to young fast bowlers will be applied as set out below:

- a) all team declaration slips must indicate and identify any player who is Under 19, Under 17, Under 16 or Under 15. In circumstances where the player is playing in an age group older than that to which he qualifies, the restrictions applying to his own chronological age apply.
- b) no medium-paced or faster bowler (broadly defined by one or both umpires as one to whom a wicketkeeper would normally stand back) shall be permitted to bowl more than the number of overs in a spell, and number of overs in a day's play as set out in Figure 1:

| Age at 31 August | Max. Overs in a Spell | Max. Overs in an Innings | Max. Overs in a Day's Play |
|------------------|-----------------------|--------------------------|----------------------------|
| Under 19         | 8                     | 10                       | 20                         |
| Under 17         | 6                     | 10                       | 16                         |
| Under 16         | 6                     | 10                       | 12                         |
| Under 15         | 5                     | 10                       | 10                         |
| Under 14         | 5                     | 10                       | 10                         |

*Figure 1: Over restrictions for young fast bowlers*

- c) if a wicketkeeper chooses to stand at the stumps to a medium or pace bowler, this action does not, of itself, exclude the bowler from this restriction.
- d) such a bowler must have a minimum rest period between spells of at least the same actual number of overs bowled from the same end as the bowler's immediately concluded spell (i.e. following an eight over spell, at least eight overs must be bowled from the same end prior to the bowler returning).
- e) a bowler who has bowled a spell of fewer than the maximum number of overs set out in (b) above has the choice to resume bowling prior to the completion of the minimum rest period as defined in (d) above, but this will be considered as an extension of the same spell, and the limit of overs in the total spell will still apply. The insufficient break within the spell is disregarded, and the minimum rest period as defined in (d) above will restart.
- f) For the purpose of calculating a bowler's minimum rest period as defined in (d) above, any interruption to play due to weather or an interval will contribute in the amount of one over for each 3.5 minutes or part thereof. In the case of scheduled intervals, examples are provided in Figure 2:

| Scheduled Break Length | Overs equivalent | Contribution to minimum rest period |
|------------------------|------------------|-------------------------------------|
| 15 minutes             | 5 overs          | 2 or 3 overs                        |
| 20 minutes             | 6 overs          | 3 overs                             |
| 35 minutes             | 10 overs         | 5 overs                             |
| 40 minutes             | 12 overs         | 6 overs                             |
| 45 minutes             | 14 overs         | 7 overs                             |

*Figure 2: Impact of scheduled intervals on minimum rest periods.*

- g) Either umpire can designate a pace bowler as such, and they will be designated pace bowlers even if they change to slow bowling (i.e. those overs bowled will still count towards the daily allocation). If a bowler bowls slow, and then wishes to bowl fast, all previous overs bowled will be counted for the purposes of spell and daily allocation.
- h) The bowling of one faster ball per over by a slow bowler will not cause the bowler to be designated a pace bowler.
- i) It is the responsibility of the captains to ascertain the relevant ages of, and number of overs bowled by, each player.
