PRESIDENTS REPORT

Looking back at the 2021/22 season, the achievement of running a competition with all the challenges, setbacks, cancellations and delays that defined the during the season is remarkable and the result of the commitment and effort of a number of dedicated people.

At the start of the Season, Noel decided to step down as President after being at the helm for 18 seasons. I would like to pass on my thanks for contribution and work over that period, not just as President but also with the representative teams. Enjoy your retirement.

Congratulations to all the Premiers & Runners-Up and to the individual trophy winners.

Competitions don't run themselves, I would like to thank everyone who gave their time as member of the committee, for their commitment and work that enable teams to get on the park each week to enjoy their cricket and time with their friends and mates. Michael Mooney, as Secretary, was again the backbone as Secretary, Allan Lofthouse again kept things in order as our Competition Secretary, Andrea Handley took over as Treasurer, Mitch Reidy took over as Assistant Secretary and Web master with Col Hobman, Matt Berkely and Jake Petit-Young filling committee roles.

Additional thank to the Junior Association, the Grade Club the Sutherland Shire Cricket Umpires Association for their continued support. Thank you also to all the captains & players for their efforts in ensuring that season 2020/21 was a success & following the protocols that were put in place.

2022/23 will hopefully see a return to a normal competition, though there will also be changes including the commencement of transition from Mycricket to PlayHQ for registrations, payments, competition management and scoring.

Enjoy the off season and we hope to see you all back for season 2022/23.

SECRETARYS REPORT

Once again thank you to all players and officials for complying with the Covid-19 restrictions and allowing the shortened 2021/22 season to be conducted however there were significant disruptions due to weather conditions.

Towards the end of the season persistent heavy rain affected most grounds in the Shire and they were either waterlogged or seriously rain affected. Semi Finals were shortened to one day matches on the Sunday and, unfortunately, all Grand Finals were abandoned by the Management Committee and Minor Premiers declared Premiers.

The updated "Heat Policy" was introduced this season and appears to be working but the test will be when we have weather conditions like 2020. Similarly, the SSJCA COVID-19 and Helmet Policies implemented last season have been accepted well by players and officials.

Thank you for the work put in by all committee members to ensure that the SSCA competitions are run smoothly for the benefit of all players. Your commitment and contributions are very much appreciated.

Special mention of two committee members for their input this season. Kevin McGrath for his contributions regarding preparation and publication of various SSCA Policies and successfully steering the Management Committee and Allan Lofthouse has again been tireless in his efforts in recording registrations and ensuring that all teams follow the SSCA rules & regulations.

This season, as in previous seasons, we have worked with Sutherland Council to carry out necessary ground improvements as part of the ongoing plans in conjunction with the SSJCA.

The Sutherland Cricket Council continues to work as an umbrella committee facilitating liaison with Sutherland Shire Council. Many

thanks to Roy Amos for facilitating the Committee's objectives.

There will be a new platform for registration & recording in 2022/23. PlayHQ is in the process of being launched during June and July. Association and Club committees are undertaking introductory sessions both in person and through a series of webinars.

A reminder to all Clubs (and particularly those who are tasked with recording match results and player statistics) that PlayHQ will be the only source we have for recording end of year results and player statistics for the Annual Report.

Thank you to Kookaburra for their generous sponsorship and to Sutherland Shire Council for their on-going support of cricket in the Shire.

Congratulations to all premiership winning teams and individual award winners for the season.

At the time of writing, season 2022/23 is on schedule to once again start on the second Saturday in September and conclude with grand finals over the first weekend of March 2022. Note that the second weekend of March 2023 has been set aside as a Reserve Day for Grand Finals.

This is the 75th Annual Report for the SSCA. There have been over one hundred Clubs participating in SSCA Competitions over that time. A list of Premiership winning teams is included in this Annual Report.

There may be some implementation difficulties with PlayHQ in this initial season and we all still need to be mindful of Covid-19 but working together we can make 2022/23 another successful season.

SSCA RECORDER AND COMPETITION MANAGER'S REPORT

The 2021/22 SSCA cricket registrations were thrown into confusion due to the ongoing COVID-19 pandemic and there were many that were not too certain as to whether there would be any cricket played this season.

The official SSCA competitions were eventually scheduled to commence on the 30th October, 2021 after having to be delayed due to the necessary Covid-19 protocols that were put into place by the "powers that be" that had control of these things.

The total SSCA season registrations recorded through the MyCricket Registration System was finally set at 868, a slight increase of 15 members from the past season. There was a significant drop of late registrations recorded this season down from 178 to only 65, and to which the Affiliated Clubs must be congratulated for.

As it is the SSCA Management Committee's task of managing the competitions under their control by the proper grading of the teams and players, and the enforcing of the various MCC LAWS OF CRICKET/SSCA By-Laws/SSCA Playing Conditions, it is still the sole responsibility of each of the Affiliated Clubs' Committees to ensure that they have sufficient players to formulate competitive teams each season.

Unfortunately, the SSCA could not have any representative teams entered this season due to the pandemic.

Total team numbers were up by one team to 47, and due to the pandemic creating a much-abbreviated season, it saw the SSCA competitions set at the A1-B2 and B4-C1 competitions being 5 team comps unfortunately playing only 10 rounds of competition, (5 X 60 Over 2 Day games and 5 X 30 Over 1 Day games) with each team

having 2 duty rounds. The B3 X 7 team competition was set for 14 rounds of 30 Over 1 Day games with each team having 2 duty rounds.

There were to be semi-finals/finals games set for each grade at the season's end that were unfortunately impeded by the disastrous weather phenomenon that had struck the east coast of Australia at the end of both February & March that caused severe flooding in many areas and also prevented the playing of the SSCA finals that were set down.

Although most of the SSCA Semi-Finals' games managed to be played the SSCA Management Committee was forced into making an unprecedented decision to declare that the SSCA competition Minor Premiers would be the premiers of each competition.

The MyCricket Match Results/Details were once again an extreme disappointment with most teams failing to record accurate data when carrying out their required results. This saw only around 50% of the teams actually gaining the bonus points on offer. The bonus point was implemented as an incentive to ensure that teams would get their online results in on time & with accurate details. Teams are only penalising themselves and their players by not having accurate statistics & the players are missing out on gaining any SSCA/Club Awards.

The pandemic was the cause of a few games having to be abandoned due to the unavoidable restrictions applied to some players. There were also a couple of forfeitures, duty failures & late results that had to be penalised. Every team does know the penalties for these offences & should always be conversant with the

current rules that everyone is governed by each season.

Congratulations must go to all of the teams that have gained the Premiership in this unprecedented season.

I would like to thank each & every one of the current SSCA Affiliated Club Committees & their players for their assistance in making this season a success.

I would like to thank the SSCUA Committee and its members for their able assistance in ensuring that the games were umpired successfully when appointed.

The Sutherland Shire Council needs to be thanked for having suitable grounds available each season.

Finally I would be remiss in not thanking all of the SSCA Management Committee for their undying efforts this season in being able to get the competitions up and running this season, & after all of the set - backs that were put forward. Their efforts throughout the season have made my

task[s] that much easier and I cannot thank them enough.

Hopefully we can all look to have an uninterrupted 2022/23 SSCA season with everyone being able to get back to a full season of the game that we all love to be involved in, and without the disastrous interventions of the past few seasons.

Get those player registrations in as early as permitted, have your teams ready to be submitted by the time to be announced, and good luck for a successful 2022/23 season to all.

Thanks and regards

Allan Lofthouse,
SSCA Competition Manager & Recorder.
