# PRESIDENTS REPORT

The range of activities and abilities required by the association to manage senior competitive cricket within the Shire continues to evolve and increase demands on volunteers who generously give their time throughout the season to allow us all to play the game we enjoy.

I would like to thank the Association Office bearers who put in many hours during the season, and in many cases have done so for a number of years, Michael Mooney, Andrea Handley, Allan Lofthouse, Warren Dess, Col Hobman, Mitch Reidy and Matt Berkley for their commitment and support.

In addition, thanks to the Club committees together with team captains and everyone who assists with scoring, umpiring, ground set up and all of the logistics involved in getting teams on the ground and matches played.

I would also like to acknowledge the work of Jon Plakourakis and Maddy Ryan implementing the CNSW Sutherland Shire Cricket Association Competition Administration Agreement which saw CNSW take a more active role in administering competitions and assisting the Association and Clubs with PlayHQ.

The Association is in a sound financial position despite incurring small losses for the last few seasons thanks to the efforts of Andrea Handley, who has conscientiously managed our finances

to ensure the financial stability of the Association in the challenging financial environment. We have and will continue to strike a balance between minimising playing costs (including managing costs outside Association control), maximising benefits for all association members whilst continuing to invest in infrastructure and activities that provide benefits for cricket in the Shire.

Through the Shire Cricket committee, representing the District club, SSCA, SSJCA and CNSW representatives we have been working with Sutherland Council to manage the issues presented by competition for and availability of suitable grounds, with Council ground redevelopment plans, maintenance and demands by other sports all having impacts. Where necessary, the Association has made financial contributions to assist with ground (and pitch) management and maintenance in support of the council and clubs. We will continue to work with the relevant groups to provide facilities to retain and attract players and invest where necessary to deliver improvements.

In conclusion I would like to congratulate all the Premiers & Runners-Up, individual Association trophy winners, and clubs on their success and contribution to cricket with the Shire. Congratulations also to

the Martin Shield team on another competitive season.

2025/26 season is just around the corner and will undoubtedly see more changes and challenges to be navigated by the Association, Clubs and players and I look forward to working with the members of our community who are prepared to volunteer their time for the upcoming season to ensure that we provide the best possible cricket experience for all.

Cricket in the Shire, like all community sports, is only as strong as the volunteers who contribute their

time to the running and management of associations, clubs and competitions. It is evident that the current workload at SSCA is concentrated in a small few, and more volunteers are required to ensure the ongoing viability and health of our sport so I encourage anyone who may be considering contributing and has some time to contact either myself or any of the committee to get involved in a role that suits your skills and availability.

Kevin McGrath  
General Manager (President),

# SECRETARY'S REPORT

I would also like to acknowledge the work of Jon Plakourakis and Maddy Ryan (both Cricket NSW) For assistance in implementing the CNSW / Sutherland Shire Cricket Association Competition Administration Agreement which saw CNSW take a more active role in administering competitions and assisting the Association and Clubs with PlayHQ. The Agreement is for 2 years and will be renegotiated next year.

There were a few issues during the initial implementations stages we now have a clearer understanding of the services provided under the Agreement

Briefly, under the agreement CNSW will provide reports to the Management Committee at the end of each round in relation to (among other things):

- Results monitoring and confirmation
- Scoring completion
- Any significant grading issues
- Any incidents or reports included in match results / reports
- Proactive follow up where results incomplete
- Implement actions approved by the Management Committee
- Attendance at Management Committee meetings
- Additional PlayHQ support
- Fixtures / re-fixtures
- Statistics for Annual Report

Thank you for the work put in by all committee members to ensure that the SSCA competitions are run smoothly for the benefit of all players. Your commitment and contributions are very much appreciated.

A couple of special mentions for Kevin McGrath and Allan Lofthouse. Kevin for his general guidance to the Management Committee, his input to meetings with Jon and Maddy regarding the Service Agreement and for his work in amending our

Governing Documents (which will be voted on at the AGM) and to Allan for his diligence in preparing Match Reports after each round. As mentioned earlier, these reports will now be prepared and delivered by CNSW pursuant to the Service Agreement.

Mitch Reidy and Warren Dess are working with Jon to establish a mid-week T-20 competition for the 2025/26 season. We will advise details after the AGM.

A reminder that PlayHQ is the only source we have for recording results and player statistics for the Annual Report as well as awarding trophies. It is hoped that the reviews by CNSW will eliminate (or at least reduce) the number of matches where statistics are incomplete.

Many thanks to Roy Amos and Jon for continuing to facilitate the Sutherland Cricket Council's objectives. The Council continues to work as an umbrella committee facilitating liaison with Sutherland Shire Council particularly in relation to the many and varied Master Plans that are being presented to Council.

Once again, this season, we have worked with Sutherland Shire Council to carry out necessary ground improvements as part of the ongoing plans in conjunction with the SSJCA. Thanks to Jon for being our intermediary in these negotiations.

Thanks to the support and assistance provided by the team at Council's Sport and Leisure Services.

Thanks to Kookaburra Sports Group for their generous sponsorship.

Congratulations to all premiership winning teams and individual award winners.

Michael Mooney  
Secretary

## SSCA RECORDER AND COMPETITION MANAGER'S REPORT

The 2024/25 SSCA Competitions began successfully in the 3<sup>rd</sup> year of the PlayHQ Format with around 36% of the teams now using the PlayHQ E-Scoring method, that it is hoped will increase in coming seasons.

I personally would like to thank all the SSCA Management Committee for their undying support & assistance throughout the past season.

Also, many thanks to the staff at CNSW/PlayHQ, Jon Plakourakis & Maddy Ryan, for ensuring that everything concerning the needs of PlayHQ are correct.

Thank you must also go to the members of the SSCA Affiliated Clubs, both Committees & Players, for making the season that it was.

We cannot forget the SSCUA & its members for their assistance throughout the season.

The Sutherland Shire Council must also be thanked for the grounds that we play on.

To Kookaburra, thank you for their generous sponsorship.

Registrations got underway with the nomination of 39 teams, & along with the many late registrations, there were 737 players registered into 7 grades, comprising 2 grades of 7 teams & 5 grades of 5 teams.

The SSCA Affiliated Clubs are still entirely responsible for attempting to increase the

number of player registrations, & thus team numbers to ensure that the SSCA competitions can maintain success. They must also endeavour to ensure that the incidence of late registrations is kept to a minimum to lighten the load on the SSCA Management Committee in having to monitor these.

Quite a few players will be missing out on both SSCA Awards & Club Awards due to their teams' scorers not correctly recording full match data/stats, although the use of the PlayHQ E-Scoring seems to be (mostly) accurate when used.

Congratulations to all those teams that successfully qualified & were victorious in the SSCA Semi-Finals & Grand Finals matches. The results of these matches will be published elsewhere in this year's document.

Congratulations to the individual Award winners that were lucky enough to qualify.

There were a number of forfeitures & late results that it was necessary to penalise. Fortunately, there were no duty failures which was heartening.

Thank you & kind regards,

Allan Lofthouse,

SSCA Hon. Recorder & Comp. Mngr.
